Welcome to the School-wide Positive Behavioral Supports website!

Positive Behaviour Support

Positive Behavior Support (PBS) is an evidence-based approach, which aims to enhance the Quality of Life and minimize individuals' problematic behavior (Carr, et al. 2002). To achieve that, PBS focuses on the development of individuals' positive behaviors (behaviors that are associated with academic, health, social, recreational, community and family achievement).

The SWPBS Project

The "Building School-Wide Inclusive, Positive and Equitable Learning Environments Through A Systems-Change Approach" (SWPBS) is an ERASMUS+ Key Action 3 Policy Experimentation program, which aims to establish an inclusive non-discriminatory social culture and necessary socio-emotional and behavioral supports for all children in a school across four EU countries (Cyprus, Finland, Greece, Romania).
